- Understanding of SDLC & Design Patterns
- Requirements Gathering & Documentation
- Keycloak single sign-on
- Containerization skills with Docker
- Automation and Testing with Puppeteer

PROFESSIONAL EXPERIENCE

BANK AL HABIB LIMITED

Oct 2022 - Present

Software Engineer

Accomplishments:

- Played a pivotal role in transforming monolithic applications into a scalable microservices architecture.
- Developed modular and efficient code structures, emphasizing good coding practices to ensure maintainability and scalability.
- Led pivotal projects, including ATM Threads, a cash requesting/sending portal, non-financial data capturing, and various financial modules.
- Collaborated seamlessly within cross-functional teams, fostering teamwork and effective communication.

WOIT SOLUTIONS

May 2022 - Oct 2022

Full Stack Web Engineer

Accomplishments:

- Implemented a chatbot solution specifically tailored for LinkedIn Sales Navigator, utilizing Puppeteer for web scraping and interaction automation.
- Utilized JavaScript framework to build dynamic and responsive user interfaces for the chatbot.
- Conducted regular feedback sessions to incorporate user insights and improve the usability of implemented features.

Bytecorp

Full Stack Developer

Feb 2022 - July 2022

Accomplishments:

- Reviewed code, debugged problems, and corrected issues.
- Collaborated in the development and implementation of Autilent, contributing to the system's real-time monitoring capabilities.
- Applied my expertise in Jetson Nano, Grafana, RabbitMQ and Python to optimize the system's performance and responsiveness.
- Collaborated with fellow engineers to evaluate software and hardware interfaces.

EDUCATION

NED University of Engineering & Technology

Graduation in Software Engineering

08/2018 - 03/2022

CERTIFICATES

- App Development Competition Powered by GOODCORE (12/2021)
- Participation in Speed Programming Competition (07/2022)
- Two Days Training on Data Modeling using AI and Power BI (11/2023)
- Three Days Training on Quarkus with MicroProfile and Kubernetes (12/2023)

ACHIEVEMENTS

Bank AL Habib Limited IT Trainee Program (6 Months)

- Secured 2nd position among IT Trainees in recognition of outstanding performance during comprehensive 6-months training program at Bank AL Habib Limited.

3.876 CGPA

University Academic Achievement

Rank in Top Ten : 7th out of 101

- Attained the 7th position in the university, showcasing dedication to academic excellence and commitment to continuous learning.
